

CHSS UPDATE

Jan. 29th - Feb. 11

Some recent highlights:

- It has been a busy few weeks. All of the teams have been competing and preparing for their upcoming Zone Championships. Go Rainmakers!

- Classes wrapped up the Semester with final projects. The students in Careers 12 presented their Capstone projects and the Social Justice class enacted their projects many of which raised money for charities.

- The Lifeskills class went to the Gymnastics Club and learned about physical literacy.

- The Lions Club treated CHSS to a pancake, sausage, and egg breakfast on the last day of the semester. Also a big thank you for the generous donation they made toward

items for the breakfast club.
Their next breakfast will be
on Feb. 21st.

Thank
you

What a special young lady she is. **Adonica** held her own bake sale and raised **\$300**. She donated these funds to Rampage Fights Cancer fundraiser.

It's not too late for you to do your part. Adonica has shown what determination and hard work can do! We have the best community members.

Feb. 19 - Family Day
