## Some of the highlights of the last two weeks:

- The Sr. Boys Cross Country team won the Zone Championships and are going to Provincials with the Jr. team qualifiers. Go Rainmakers!
- A team from the Pinnguaq School came to present on a variety of STEAM topics. Students had fun generating electricity with lemons, zinc, and copper.
- Mr. Barak's class has been busy using the shop to learn life skills and math applications.
- Ms. Dueck's class went to volunteer at the Wildlife Shelter and helped with the raising of the #MMIW2SG pole on Saturday, Oct. 21.
- The Student Leadership class organized theme days including Superhero/Villain Day, and Wear Pink Day.
- Ms. Ling's class did a flame test lab in science.
- Northern Health presented career options in Northern BC.
- Ms. Sawka and Ms. McNeil Clark's classes went on a field trip to see the #MMIW2SG pole. Tina Robinson explained its features and background information from the artist who carved it, Mike Dangeli.
- The Volleyball teams have been playing very well. They are gearing up for a competitive Zone Championships.
- Ms. Johnson's Chemistry 11 class learned about the chemistry of distilling.
